

## Atal Medical and Research University, Himachal Pradesh

### Final Seat allocation for MD/MS/DNB 2nd round of counselling 2022

As per directions of Hon'ble Supreme Court of India in order dated 31st March 2022 and earlier such orders, candidates allotted seats in 2nd Round of MD/MS/DNB Counseling are directed to ensure that they are not the part of Mop-up Round of All India Counseling, otherwise they should not take admission on seats allotted through State Counseling.

**Process of allocation of seats in 2nd round of MD/MS/DNB Counseling**

Allocation is done using software developed for the purpose of counseling. Seats are allotted using a 40 point running roster. This software allotted seats based on following instructions:

**Step 1:** Candidates admitted in 1st round and did not fill choices for 2nd round after provisionally surrendering their seats were removed from the counseling along with their seats and roster points they occupied (In other words those points were frozen).

**Step 2:** Vacant Seats are allotted category wise starting from top considering category merit and choices of the candidates. General Category points are considered unreserved.

**Step 3:** Vacant ST-GDO and SC-GDO seats are allotted as a single pool to ST-GDO and SC- GDO candidates. Similarly ST-Direct and SC-Direct seats are allotted as a single pool to ST-Direct and SC- Direct Candidates.

**Step 4:** Vacant seats of In-Service Quota are allotted to In-Service Candidates on the basis of Overall Merit of In-Service Applicants. Similarly vacant seats of Direct Quota are allotted to eligible Direct Candidates on the basis of Overall Merit of Direct Quota applicants. Candidates allotted seats in Step-2 and Step-3 are allowed to update the seats if available. Candidates admitted in 1st Round and could not be updated are reverted to their original seat.

**Step 5:** All vacant seats are allotted to eligible candidates on the basis of their Overall Merit irrespective of their Quota and Category. Candidates allotted seats in Step-2, Step-3 and Step-4 are allowed to update the seats if available.

**Step 6:** Final allocation list is prepared by allotting roster points to a pool of candidates selected by the software in 2nd round and candidates admitted in 1st round, based on their merit number.

**All candidates allotted seats are directed to report to institute on 14th & 15th November, 2022 to the respective college for admission**
