In this regard, it is made clear that some seats of Persons with Disability (PwD) and NRI Quota seats etc. may remain vacant after exhausting all candidates of respective quota/category. In view thereof, seats of any category/quota may become vacant in 2nd round due to shifting/conversion of seats. Hence, it is not mandatory to fill only those choices/preferences which are reflecting in the vacancy position of seats. Therefore, candidates are advised to fill the preferences/choices of colleges as per their choice. The seats in 2nd round will be allocated as per availability of seats as per merit- cum -choice/preference submitted by the candidate.
- (c)** During the Second round of Counselling, if an admitted candidate of round-1, who have participated in 2nd round is not getting up gradation then he/she will retain his/her seat with category allotted in Round-1 and will not be shifted to any other point/category. vacancy position for 2nd Round. During 2nd round of Common/Centralized Counselling, firstly allocation will be done category-wise and remaining unfilled reserved seats will be converted and filled with unreserved candidates (Group-B) according to merit as per Counselling procedure, except NRI quota seats in private medical college, MMMCH, Kumarhatti, Solan. However, the candidates already admitted during the 1st or 2nd round of counseling are not required to remit the token amount of fee while filling the preferences for 3rd round of counseling.
- (b) The candidates can fill the choices of colleges, course/quota which are not reflecting in the vacancy position of seats, as few seats may arise due to shifting of candidates during 3rd round of counseling from one college to another as per their choices/preferences by vacating the already occupied seat of 2nd round of counseling. The vacant seats of 2nd round will be displayed as vacancy position for 3rd round and will be filled category-wise in 3rd round. It is clarified here that since all the remaining seats had already been filled after converting them to un-reserved category, based on merit -cum-preference, the vacancy of category will only arise if the candidate allotted seat under some reserved category does not join. During 3rd round of Common/Centralized Counseling also, the remaining reserved seats will be converted to unreserved as per Counselling procedure like in 2nd round.
