$$= \frac{\text{Duration served (in days)}}{365} \times \text{Prescribed incentive for particular institution (As Mentioned Above)}$$

In case a particular GDO has been posted at one particular station but he is deputed for some period to another station, the actual duration served at a particular field posting will be taken into account for the calculation of incentive. This incentive shall be available to only those GDOs who are in the active service of the State in a continuous manner and for the purpose of computing the incentive, the present continuous service shall be taken into account; meaning thereby, any doctor who has served as a GDO in the past but has subsequently resigned from GDO ship shall not be eligible to avail benefit of this incentive on the basis of any previous service. Similarly, if he/she subsequently joins GDO ship again, the incentive will be calculated taking into consideration the latest period of service reckoned from the date when he/she is in continuous service without any break. This incentive will be subject to maximum of 30% in terms of judgment delivered by the Hon'ble Supreme Court of India on 16th August, 2016 in Civil Appeal No.: 8047/2016- State of U.P. & Ors. Versus Dr. Dinesh Singh Chauhan and as per Dental Council of India MDS Regulations, 2017.

For the purpose of computation of incentive by the Director of Health Services, Himachal Pradesh the cutoff date shall be the date of declaration of NEET-MDS-2023 result i.e. 10 March 2023.
