Registrar,

Atal Medical & Research University, H.P,
Nerchowk, Distt. Mandi, HP

Annexure- 'A'

**Medical Technology Students Association (MTSA)
Indira Gandhi Medical College Shimla**

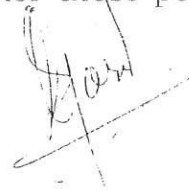

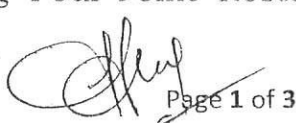

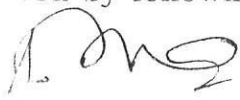

Background:

MTSA caters to the needs and requirements of students pursuing paramedical courses in our institution. Each course of Medical Technology like Anaesthesia & OT Techniques, Laboratory, Radiology & Radiotherapy and Renal Dialysis is independent of each other which is having a defined and discrete syllabus, teaching & training methodology including the scoring pattern.

Therefore, in view of the above, it would not be prudent to follow the existing guidelines governing the SCA of MBBS students being a singular course having one teaching & training methodology including the scoring pattern. On the contrary, herein (MTSA) we have four courses independent of each other. In view of this, a working framework customized to the needs of the MTSA, is being proposed as decided in the meeting held on 22.5.2024.

Key Points of the Draft Proposal for MTSA, IGMC Shimla.

- I. Rotational distribution of posts/positions in MTSA for students undertaking that course.
- II. The selection of the student for a particular post (as per rotation) will be based upon their inter se merit for that course in question.
- III. (a) The posts of MTSA, IGMC Shimla will be as under:
 - i) President
 - ii) Vice President
 - iii) General Secretary
 - iv) Cultural & Sports Secretary
 - v) Treasurer
 - vi) Joint Secretary
 - vii) Course representative from each course i.e. one from first year and one from second year of each course making a total of 8 from four courses and the selection shall be based upon merit of previous class.
- b) The course holding the post of President and /or General Secretary shall not be given any other post except Course representative.
- c) The Course holding the post of Treasurer /or Cultural & Sports Secretary can be given the post of Vice President / or Joint Secretary.
- d) The posts of President, Treasurer, General Secretary and Cultural & Sports Secretary shall be from the **Final Year Only** and these will be filled by following 'Four Point' Roster. The roster for these posts will be

followed alphabetically like B.Sc. Medical Technology (Anaesthesia and Operational Theatre Techniques), B.Sc. Medical Technology (Laboratory), B.Sc. Medical Technology (Radio-diagnosis & Radiotherapy), B.Sc. Medical Technology (Renal Dialysis) for the posts of President, Treasurer, General Secretary and Cultural Secretary of MTSA as shown in table 'A'.

Selection and appointment of advisory committee:

Chief Patron: Head of Institution (HOI)

Staff Advisor: Senior Faculty Member from the concerned specialty department undertaking paramedical course

Academic Advisor: Senior Faculty Member from the concerned specialty department undertaking paramedical course

Cultural Advisor: Senior Faculty Member from the concerned specialty department undertaking paramedical course .

- The Senior Faculty member(s) from the departments/specialties undertaking teaching and training of students for these course(s), shall be nominated by the HOI for the above mentioned post(s).
- The Scrutiny Committee for election and Grievance Redressal Cell shall be formed by the Head of institution on year to year basis.
- The day to day functioning of the MTSA will be as provided in the operative part of the relevant regulations for CSA of MBBS students.

Dr. J.S. Chahal
Associate Professor (Biochemistry)-
cum- Nodal Officer (Paramedical Admissions)
IGMC Shimla.

Dr. Santwana Verma
HOD (Microbiology)
