NOTIFICATION

GUIDELINES ON ASSESSMENT OF PERSONS WITH BENCHMARK DISABILITIES (PwBD) FOR ADMISSION TO THE MBBS COURSE, 2026

U-11021/24204/2026-UGMEB-In exercise of the powers conferred by Sections 10 and 24 of the National Medical Commission Act, 2019, read with Section 57 thereof, and in furtherance of the Graduate Medical Education Regulations, 2023, the National Medical Commission hereby issues the following Guidelines, namely: —

1. Short Title and Commencement

1.1 These Guidelines may be called the "Guidelines on Assessment of Persons with Benchmark Disabilities (PwBD) for Admission to the MBBS Course, 2026".

1.2 They shall come into force on the date of their publication by the National Medical Commission.

2. Objectives

2.1 The National Medical Commission recognizes that Persons with Benchmark Disabilities constitute an integral part of society and are entitled to equality, dignity, non-discrimination and reasonable accommodation in all spheres of life, including medical education, in accordance with the Constitution of India and the Rights of Persons with Disabilities Act, 2016.

2.2 Simultaneously, the National Medical Commission is entrusted with the statutory responsibility of maintaining high standards of undergraduate medical education and ensuring that every medical graduate acquires the essential competencies necessary for the safe, ethical and effective practice of modern medicine in accordance with the Competency Based Medical Education (CBME) curriculum.

2.3 Medical education demands the acquisition of knowledge, professional skills, clinical competencies, communication abilities and ethical values. The assessment of candidates with benchmark disabilities must therefore balance the rights guaranteed under the Rights of Persons with Disabilities Act, 2016 with the statutory obligation to maintain academic standards, professional competence and patient safety.

2.4 These Guidelines introduce a competency-based and function-oriented assessment framework, whereby the determination of eligibility shall not rest solely upon the numerical percentage or category of disability reflected in the UDID Card or other disability certification. While the benchmark disability prescribed under the Rights of Persons with Disabilities Act, 2016 shall continue to determine eligibility for reservation under the PwBD category, admission to the MBBS Course shall be based upon an objective evaluation of the candidate's functional competencies, with due regard to reasonable accommodation, assistive technology, environmental accessibility and contemporary advances in rehabilitation science.

2.5 For the purposes of these Guidelines, the certificate presently issued by the designated Medical Boards for admission to the MBBS Course, though commonly referred to as a **"Disability Certificate"**, shall be known as the **"Eligibility Certificate"**, as it is intended to certify the candidate's eligibility or otherwise for admission to the MBBS Course based on functional assessment rather than merely certifying the existence or extent of disability.

2.6 In order to facilitate greater accessibility, transparency and uniformity in the assessment process, the Directorate General of Health Services (DGHS), Ministry of Health and Family Welfare, expanded the designated assessment centers from 16 (Sixteen) to 61 (Sixty One) across the country and any further expansion of such assessment boards will be notified by the Medical Counselling Committee (MCC) from time to time. For the purposes of these Guidelines, all such designated Boards shall be referred to as the "Medical Assessment Boards", which shall undertake the functional assessment of candidates in accordance with these Guidelines.

2.7 These Guidelines accordingly establish a transparent, uniform, evidence-based and competency-oriented framework for the assessment of Persons with Benchmark Disabilities seeking admission to the MBBS Course throughout the country, with the objective of ensuring equal opportunity while preserving academic standards, professional competence and patient safety.

4. Scope and Application

4.1. These Guidelines shall apply to—

(a) every candidate seeking admission to the MBBS Course under the Persons with Benchmark Disabilities (PwBD) category;

(b) every Medical College recognized under the National Medical Commission Act, 2019;

(c) the Medical Counselling Committee (MCC);

(d) all State Counselling Authorities;

(e) all Medical Assessment Boards constituted for assessment of PwBD candidates; and

(f) every authority or institution involved in the assessment, counselling, admission or certification of candidates under the PwBD category.

5. Objectives

5.1. The National Medical Commission recognizes that Persons with Benchmark Disabilities constitute an integral part of society and are entitled to equality, dignity, non-discrimination and reasonable accommodation in all spheres of life, including medical education, in accordance with the Constitution of India and the Rights of Persons with Disabilities Act, 2016.

5.2. Simultaneously, the National Medical Commission is entrusted with the statutory responsibility of maintaining high standards of undergraduate medical education and ensuring that every medical graduate acquires the essential competencies necessary for the safe, ethical and effective practice of modern medicine in accordance with the Competency Based Medical Education (CBME) curriculum.

5.3. Medical education demands the acquisition of knowledge, professional skills, clinical competencies, communication abilities and ethical values. The assessment of candidates with benchmark disabilities must therefore balance the rights guaranteed under the Rights of Persons with Disabilities Act, 2016 with the statutory obligation to maintain academic standards, professional competence and patient safety.

5.4. Disability shall not, by itself, constitute a ground for exclusion from medical education. Eligibility shall be determined through an objective assessment of the candidate's functional competencies, taking into consideration reasonable accommodation, assistive technology, environmental accessibility and contemporary advances in rehabilitation science.

5.5. These Guidelines seek to establish a transparent, uniform, evidence-based and competency-oriented framework for the assessment of Persons with Benchmark Disabilities seeking admission to the MBBS Course throughout the country.

6. Statutory Framework

6.1. These Guidelines shall be read in conjunction with—

(a) the National Medical Commission Act, 2019;

(b) the Rights of Persons with Disabilities Act, 2016;

(c) the Graduate Medical Education Regulations, 2023, as amended from time to time;

(d) the Notification dated 12th March, 2024 issued by the Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment;

(e) all applicable Regulations, Guidelines, Notifications and Circulars issued by the National Medical Commission from time to time; and

(f) all binding judgments, directions and orders of the Hon'ble Supreme Court of India and other competent Courts governing admission of Persons with Benchmark Disabilities to the MBBS Course.

7. Purpose

7.1 The purpose of these Guidelines is to—

(a) establish a uniform national framework for assessment of Persons with Benchmark Disabilities seeking admission to the MBBS Course;

(b) ensure transparency, consistency and objectivity in disability assessment;

(c) facilitate implementation of the Graduate Medical Education Regulations, 2023;

(d) ensure compliance with the Rights of Persons with Disabilities Act, 2016;

(e) promote equality, inclusion and reasonable accommodation while preserving patient safety and academic standards.

8. Equality and Non-Discrimination

a. The minimum degree of disability should be 40% (Benchmark Disability) in order to be eligible for availing reservation for persons with specified disability. Every PwBD candidate possessing a specified disability shall be entitled to equal treatment throughout the admission process.

b. No authority shall discriminate against any PwBD candidate solely by reason of disability.

c. Disability shall never be treated as a disqualification unless such disability demonstrably prevents the acquisition of essential competencies despite reasonable accommodation.

d. Disability shall be understood in accordance with the rights recognized under the Rights of Persons with Disabilities Act, 2016.

e. Assessment shall recognize that disability arises from the interaction between an individual's impairment and environmental, institutional, social and attitudinal barriers.

f. Efforts should be made to the extent to which reasonable accommodation, assistive technology and accessible educational practices, that can enable the candidate to successfully pursue medical education.

CHAPTER II

ELIGIBILITY, DOCUMENTATION AND DISABILITY ASSESSMENT

9. Eligibility and Documentation

9.1 A candidate seeking admission to the MBBS Course under the Persons with Benchmark Disabilities (PwBD) category shall possess a benchmark disability of not less than forty per cent (40%), in accordance with the Rights of Persons with Disabilities Act, 2016 and the rules made thereunder.

9.2 Every such candidate shall possess a valid Permanent Unique Disability Identity (UDID) Card issued through the UDID Portal by the Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment, Government of India. The UDID Card shall serve as the primary documentary evidence of the existence, nature and extent of the specified disability for the purposes of these Guidelines.

9.3 While the particulars recorded in the Permanent UDID Card, including the category, percentage and validity of the specified disability, shall ordinarily form the basis of consideration by the Medical Assessment Board, the Board shall independently determine the candidate's functional competency in accordance with these Guidelines. The determination of eligibility shall not be based solely upon the category or percentage of disability recorded in the UDID Card.

9.4 Where the Medical Assessment Board considers it necessary for determining the functional competency of the candidate or the feasibility of providing reasonable accommodation, it may require the candidate to undergo such further clinical examination, functional evaluation or verification as it considers appropriate.

9.5 Every candidate shall submit a self-certified affidavit declaring his or her functional abilities in the format specified in **Schedule-I**, which shall be verified by the Medical Assessment Board during the course of assessment.

9.6 A candidate shall not be denied consideration under the PwBD category solely on account of a procedural defect or discrepancy in the Permanent UDID Card, provided that

such defect is capable of rectification and the specified disability is otherwise established in accordance with law.

9.7 Every admission to the MBBS Course under the PwBD category shall be regulated by these Guidelines, and every Medical College, Counselling Authority and Medical Assessment Board shall ensure strict compliance with the provisions contained herein.

10. Medical Assessment Board

10.1 Every Medical Assessment Board shall discharge its functions fairly, objectively, transparently and in accordance with the principles of natural justice, equity and the rule of law.

10.2 Every candidate appearing before the Medical Assessment Board shall be treated with dignity, respect and fairness throughout the assessment process.

10.3 The Medical Assessment Board shall ensure that no candidate is subjected to physical, environmental, communication or attitudinal barriers during the assessment process.

10.4 The Medical Assessment Board shall undertake the assessment of candidates in accordance with—

(a) the assessment methodology prescribed under the Notification dated 12th March, 2024 issued by the Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment;

(b) these Guidelines; and

(c) any other applicable statutory provisions governing the assessment of Persons with Benchmark Disabilities.

11. Matters to be Verified and Evaluated

11.1 While assessing the eligibility of a candidate under these Guidelines, the Medical Assessment Board shall verify and evaluate, inter alia—

(a) the Permanent Unique Disability Identity (UDID) Card issued by the competent authority under the Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment;

(b) the nature, extent and stability of the specified disability and the underlying medical condition;

(c) the candidate's functional abilities in relation to the essential competencies prescribed under the Competency Based Medical Education (CBME) curriculum;

(d) the suitability and effectiveness of any assistive device, assistive technology or adaptive aid used by the candidate;

(e) the feasibility of providing reasonable accommodation to facilitate acquisition of the prescribed competencies;

(f) the impact, if any, of the disability upon patient safety; and

(g) such other clinical, functional or educational factors as may be relevant for determining the candidate's eligibility under these Guidelines.

11.2 Principles Governing Determination of Eligibility

The determination of eligibility by the Medical Assessment Board shall be guided by the following principles—

(a) **Functional Competency**

The primary consideration shall be whether the candidate possesses, or can reasonably acquire with appropriate support and reasonable accommodation, the essential competencies prescribed under the Competency Based Medical Education (CBME) curriculum.

(b) **Individualized Assessment**

Every assessment shall be individualized, objective and evidence-based. No candidate shall be declared eligible or ineligible solely on account of the category or percentage of disability.

(c) **Scientific Assessment**

Assessment shall be based upon objective medical findings, scientific evidence, functional evaluation, contemporary rehabilitation principles and evidence-based medical practice. The Medical Assessment Board shall avoid reliance upon outdated medical opinions, stereotypes or unsupported assumptions relating to disability. Where advances in rehabilitation medicine, assistive technology or adaptive devices substantially improve the functional abilities of the candidate, due consideration shall be given to such advancements while determining eligibility.

(d) **Reasonable Accommodation**

Prior to declaring a candidate ineligible, the Medical Assessment Board shall examine whether reasonable accommodation, assistive technology, adaptive devices or appropriate infrastructural support would enable the candidate to successfully pursue and complete the MBBS Course without compromising the acquisition of the prescribed competencies.

Provision of reasonable accommodation shall not be construed as dilution of academic standards but shall constitute a measure to ensure substantive equality of opportunity for Persons with Benchmark Disabilities.

Reasonable accommodation may include, inter alia—

(i) assistive devices;

(ii) adaptive equipment;

(iii) digital accessibility;

(iv) accessible teaching and learning material;

(v) communication support;

(vi) ergonomic modifications;

(vii) examination accommodations consistent with academic standards; and

(viii) accessible clinical learning environments.

(e) Patient Safety

Patient safety shall remain an important consideration while determining eligibility. However, any conclusion relating to patient safety shall be based upon objective clinical and functional evidence and shall not rest upon generalized assumptions, stereotypes or preconceived notions regarding disability.

Chapter-III

12. Procedure for issuance of Certificate to the PwBD Candidate

12.1 Upon completion of the functional assessment, the Medical Assessment Board shall determine whether the candidate is Eligible; Eligible with Reasonable Accommodation, or Ineligible for admission to the MBBS Course under the Persons with Benchmark Disabilities (PwBD) category in accordance with these Guidelines.

(b) the percentage of benchmark disability recorded in the UDID Card or Disability Certificate; or

(c) generalized assumptions or stereotypes associated with any disability.

12.4 A candidate shall be declared ineligible only where the Medical Assessment Board, after due consideration of reasonable accommodation and assistive technology, records, by a reasoned and speaking order, that the candidate is unable to acquire the essential competencies prescribed under the Competency Based Medical Education (CBME) curriculum or that the disability would pose a demonstrable and unacceptable risk to patient safety which cannot be mitigated through reasonable accommodation.

12.5 Every determination of the Medical Assessment Board shall be recorded in writing and shall clearly specify—

(a) the nature and extent of the disability;

(b) the findings of the functional competency assessment;

(c) the reasonable accommodation, if any, considered or recommended;

(d) the reasons supporting the determination of eligibility or ineligibility; and

(e) the final recommendation of the Board.

such manner as may be notified by the Medical Counselling Committee (MCC) from time to time.

13.2 The Appellate Authority shall independently examine the appeal and may, where considered necessary, call for the records of the Medical Assessment Board, direct a fresh medical assessment by an appropriate expert or specialist, seek additional medical opinion, or undertake such further examination as it deems fit in accordance with these Guidelines.

13.3 The Appellate Authority shall pass a reasoned and speaking order, clearly recording the basis for affirming, modifying, or setting aside the findings of the Medical Assessment Board.

U-11021/24204/PwBD/2026/UGMEB **Dated: 05.08.2026**

ADDENDUM

Subject: Addendum to the Notification dated 27.07.2026 regarding the "Guidelines on Assessment of Persons with Benchmark Disabilities (PwBD) for Admission to the MBBS Course, 2026"

Attention is invited to Clause 9.2 of the Guidelines on Assessment of Persons with Benchmark Disabilities (PwBD) for Admission to the MBBS Course, 2026, notified vide Notification No. U-11021/24204/2026-UGMEB dated 27.07.2026, which provides that every candidate seeking admission under the PwBD category shall possess a valid Permanent Unique Disability Identity (UDID) Card. Attention is also invited to Office Memorandum No. 18-25/2024-Policy dated 17.12.2025 issued by the Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment, regarding the validity of temporary UDID Cards/Disability Certificates for extending statutory benefits to eligible persons with benchmark disabilities.

2. That, in order to provide clarity and to ensure that the provisions of the Guidelines are interpreted in consonance with the Office Memorandum No. 18-25/2024-Policy dated 17.12.2025 issued by the Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment, the following addendum is hereby issued. The said Office Memorandum clarifies that persons with benchmark disabilities which are progressive, non-progressive or not likely to improve shall not be denied statutory benefits merely because their disability certificate is temporary in nature.

3. Accordingly, it is clarified that Clause 9.2 shall be read harmoniously with the Rights of Persons with Disabilities Act, 2016, the Rights of Persons with Disabilities (Amendment) Rules, 2024, and the aforesaid Office Memorandum dated 17.12.2025.

4. Therefore, for the purposes of admission to the MBBS Course under the PwBD category:

categorized as "progressive, non-progressive or not likely to improve", subject to verification by the Medical Assessment Board in accordance with the Guidelines dated 27.07.2026.

(ii) In cases of Candidates holding Temporary UDID with a disability condition recorded as "likely to improve", the Medical Assessment Boards shall re- assess benchmark disability of the candidates as per the assessment methodology prescribed under the Notification dated 12th March, 2024 issued by the Department of Empowerment of Persons with Disabilities (Divyangjan), Ministry of Social Justice and Empowerment, apart from assessing the functional competency as per the provisions prescribed under the Guidelines dated 27.07.2026.

(iii) The Medical Assessment Board shall continue to independently assess the candidate's functional competency in accordance with the Guidelines dated 27.07.2026, before issuing the Eligibility Certificate.
